

Amulet Wiring Diagram

For complete Acoustic Lens pickup
Installation instructions, please see
www.tranceaudio.com/manuals/TranceTemplateInstall.pdf
For a video detailing the Amulet endpin install, please
see www.tranceaudio.com/endpin.html

Inside back of the Guitar

Tip: You can unscrew the plug out of the endpin and pull the wire through while tightening the nut with a nutdriver. Then screw the plug back in using the plug on the guitar cord as a handle.
